B: Of course! I am very interested to know how my child is doing and also get some insight from you as to how he can improve.

A: Well Allen is a great student. He is a hard worker and very well behaved, however he does struggle a bit with math.

B: I guess he gets that from me, I never did well in math when I was a kid. What can I do at home to compliment what he is learning in the classroom.

A: Well, it's important that you sit with him and re-view his homework assignments and help him with math. I would also recommend he stay after school twice a week for tutoring sessions. It will really help a lot.

B: Thanks a lot! I will definitely do that. Is there anything else?

A: Um.. yes. Here is a notice from our financial department, seems your child's tuition is overdue.
